1. **The Council**

**Meetings and Rules of Procedure**

1.1 The Council must ordinarily meet on at least 6 occasions in each year, on dates to be determined by the Council and on such other days as may be necessary.

1.2 The Chancellor or, in the absence of the Chancellor, the Deputy Chancellor or, in the absence of both, the President and Vice-Chancellor may call a special meeting of the Council to meet at any time in the interval between ordinary meetings.

1.3 Upon the written request of any 5 members of the Council, the Chancellor, Deputy Chancellor or President and Vice-Chancellor or, in their absence, the University Secretary must convene a special meeting of the Council to be held within 14 days after the receipt of the request. The written request must specify the matters which the 5 members wish the Council to consider.

1.4 Any meeting of the Council may be adjourned to a later date.

1.5 The University Secretary must provide each member of the Council a notice of meeting specifying the date of the next meeting of the Council and whether the meeting is an ordinary or special meeting. The notice of meeting must, so far as practicable, be provided 7 days prior to the date of the meeting. All matters to be considered at any meeting must be stated in the notice of meeting or in a supplementary notice of meeting which must be provided to each member of the Council, so far as practicable, 3 days before the meeting. Where practicable, the notice of meeting or supplementary notice of meeting must be accompanied by supporting statements in sufficient detail to allow members the opportunity to consider the matters prior to the meeting.

1.6 (a) At ordinary meetings, unless otherwise decided by the Council, no motion initiating any subject for discussion must be made except in pursuance of a notice of motion given to the University Secretary 10 days before the meeting of the Council at which the motion is to be moved.

(b) At special meetings, unless otherwise decided by the Council, no motion must be made on any matters other than those listed in the notice of meeting or supplementary notice of meeting.

1.7 If a quorum of the Council is not present within half an hour after the time set for any meeting, the members then present may set a convenient future day as the day on which the meeting must be held. The day set may be the day of the next ordinary meeting of the Council but in any case must be such as to enable the University Secretary to give all members 7 days’ notice of the meeting, in accordance with Rule 1.5. Where the set day is the day of the next ordinary meeting of the Council, the business which was to have been dealt with at the meeting lacking a quorum must take precedence over the business of the ordinary meeting of the Council.

1.8 The minutes of any meeting of the Council which have not been approved as being a true record must be circulated to members prior to the next ordinary meeting of the Council. Upon being approved as correct, such minutes must be signed by the Presiding Member as being the true record.

(a) Prepare a roll of eligible voters, for each relevant electorate, as at the close of nominations; and

(b) provide a list of the names on the relevant roll available for inspection by any person eligible to vote in the election during the period from the close of nominations to the close of ballot.

5.14 Notices required under clause 5.12 concerning candidates may be made by way of email notification. The notice must specify the date of any election to be held.

**Ballots**

5.15 Ballots are to be conducted by way of an electronic voting program which has been approved for use by the Returning Officer, based on the independent assurance referred to in Rule 5.16.

In this Rule 5 a reference to "ballot paper" includes, where the context requires, a document upon or through the medium of which a person may cast a vote.

5.16 The Returning Officer may approve an electronic voting program for use where he or she has received independent assurance from an appropriately qualified person that the program:

(a) will provide a voter with instructions on how to vote;

(b) will allow a voter to indicate his or her choice of candidate(s);

(c) gives a voter an opportunity to correct any mistakes before submitting his or her vote;

(d) will allow a voter to make an informal vote;

(e) will not allow a person to find out how a particular voter cast his or her vote;

(f) will not allow a voter to vote more than once for any ballot;

(g) will only allow a voter to vote in an election for which he or she is eligible to vote, and

(h) is designed to give the same result as would be obtained if the ballot were conducted by post or by personal voting.

The Returning Officer may from time to time commission a security and integrity review of an approved electronic voting program.

5.17 The order of candidates on the ballot paper is to be determined randomly by the Returning Officer.

5.18 For an electronic ballot:

(a) Each voter is to be emailed (at least 7 days prior to the close of ballot) a notice detailing the nature of the election, a list of the candidates, and setting out instructions on how to access the electronic voting program, and the closing date and time by which a vote can be submitted.

(b) The fact that a person whose name is on the relevant Roll of the University did not receive the email notice described in rule 5.18(a) does not invalidate an election.

(c) Each candidate Statement, and a copy of any photograph supplied, are to be published online and accessible by way of a link included in the e-mail sent to each voter in accordance with rule 5.18(a).
(d) The voter is to submit his or her vote in accordance with the instructions provided in the electronic voting program.

5.19 All formal ballot papers received by the Returning Officer before the close of ballot are to be counted in the ballot.

5.20 No voter may vote more than once in any election.

5.21 No ballot paper will be issued or accepted after the close of ballot.

**Procedure on close of ballot**

5.22 As soon as practicable after the close of ballot, the Returning Officer is to count the votes and ascertain the results of the ballot in the manner set out below.

5.23 The Returning Officer is to reject any informal ballot papers and count the formal ballot papers.

5.24 A ballot paper will be informal if:

(a) marked other than in accordance with the voting instructions accompanying the ballot paper;

(b) no vote for any candidate on the ballot paper has been indicated;

(c) votes for more candidates than are to be elected are indicated on the ballot paper.

5.25 The Returning Officer is to count the number of votes for each candidate.

5.26 The candidate (s) having the highest numbers of votes, being a number of candidate (s) equal to the number of positions to be filled, will be declared elected.

5.27 If an equity of votes between two or more candidates prevents the declaration of elected candidates, the vote count will proceed as follows:

(a) the names of those candidates with such an equality of votes will be written on separate and similar slips of paper,

(b) the slips must be folded so as to prevent identification and mixed and drawn at random,

(c) the candidate whose name is first drawn will be declared elected, and

(d) this process is to continue until all remaining positions are filled.

5.28 The Returning Officer will make available details of the most recent vote count to any member of the University or of its Professional and Technical staff. The Returning Officer may, in their absolute discretion, provide in writing details of the most recent vote count upon written request of a person standing for election.

5.29

(a) The result of the count must remain confidential until the declaration of the result of the ballot by the Returning Officer.

(b) The Returning Officer must not in any way disclose or aid in disclosing the manner in which any voter has voted.
