1. Purpose

These procedures ensure that UNSW complies with the requirements of Standard 7 Transfer between Registered Providers of the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students and the Commonwealth Government’s Education Services for Overseas Students (ESOS) Act 2000.

The procedures aim to establish a clear University-wide procedure on the administration of approving applications from international students to transfer between UNSW and other registered providers prior to completing six months of their principal course of study.

The procedures also determine responsibilities, requirements and timelines relating to these applications.

2. Scope

These procedures apply to all international students holding a student visa requesting a transfer between registered providers prior to completing six months of their principal course of study.

Under ESOS legislation, students who have completed more than six months of their principal program are not required to formally seek permission to transfer between providers. However, students must advise the University in writing of their cessation of studies at UNSW. The University will then cancel the Confirmation of Enrolment and notify the relevant Australian Government departments that they are no longer enrolled at UNSW.

4. Procedure

4.1 UNSW Responsibilities

4.1.1 International students seeking to transfer from UNSW to another registered provider before completing six months of their principal course must request approval to transfer and obtain a Release Letter from UNSW. The University of New South Wales will assist the student to transfer (i.e. issue a Release Letter) if the course the student wishes to transfer to:

- better meets the study capabilities of the student
- better meets the long term goals of the student, whether these relate to future work, education or personal aspirations or
- compassionate or compelling reasons for the transfer exist

4.2 Student Responsibilities

4.2.1 Students seeking to transfer between registered providers before completing 6 months of their principal course must complete the appropriate application (Release Letter Request and Refund Request) and provide supporting documents.

4.2.2 The following supporting documents (where applicable) must be attached to the application for a Release Letter:

- a copy of the offer letter from the other Institution confirming that a valid unconditional enrolment offer had been made at that Institution; and
- where a student’s request is based on medical grounds, documentary evidence from a qualified medical practitioner, psychologist or counsellor must be provided. Failure to present evidence may adversely affect the outcome of the application; and
- written approval for the transfer from the scholarship body if the student is sponsored; and
- if the student is under the age of 18, the student must provide written evidence that the student’s parent or legal guardian supports the transfer AND, if appropriate, written confirmation that the new provider will accept responsibility for approving the student’s accommodation, support and general welfare arrangements as per Standard 5.
- if the student is under the age of 18 and has an accommodation, support and general welfare arrangement in place with UNSW the student must notify an International Student Advisor (Student Development–International) that they will be terminating their current accommodation, support and general welfare arrangements
4.2.3 Students must submit the applications and supporting documentary evidence to UNSW Student Central.

4.2.4 Foundation Package Offer students applying for a Release letter should apply directly to UNSW Foundation Studies.

4.2.5 Applying to transfer between registered providers does not preclude students from the requirement to enrol on time. Non enrolment will not automatically result in approval of a Release Letter request. However, it may result in the student being reported to DIAC for falling to enrol.

4.3 Student Central Responsibilities

4.3.1 Upon receipt of the application for a Release Letter, Student Central will, within 3 working days, consider the application and the supporting documentation.

4.3.2 Where the application is deemed not compliant:
   The application is denied and student will be advised accordingly. This communication will explain the reasons for the decision and advise the student of the right to seek a review of the decision.

4.3.3 Where the application is deemed compliant:
   The application is forwarded to Student Development–International where an International Student Advisor will review the application.

4.3.4 Upon receipt of the advice from the International Student Advisor:
   a) Student Central will notify the student in writing, within 3 working days, of the outcome of the application.
   b) where the application is successful, Student Central will issue a Release Letter after the student has been withdrawn from the current program. The Refund Form will be forwarded to Student Administration & Records to be processed.
   c) where the application is not successful, the student will be provided with written reasons for refusing the request, including:
      • The reasons for the decision not to grant a Release Letter.
      • Advise the student that he/she may freely transfer after completion of six calendar months of his/her principal program at UNSW.
      • Information on the student’s right to appeal the decision.

4.3.5 After the student has been withdrawn from their intended program of study
   Student Central will process the Release Letter application from students with conditional offers (English Language or Academic Requirements Package Offers) who do not meet the entry requirements.

4.3.6 Release Letter applications from Foundation Package Offer students will be forwarded to UNSW Foundation Studies for processing.
4.4 International Student Advisor Responsibilities

4.4.1 An International Student Adviser:

a) Will review the application and supporting documents according to ESOS Standard 7 guidelines.

b) may ask the student for an exit interview to determine:
   - the circumstances surrounding the transfer request; and
   - how the student may benefit from a transfer to another provider; and
   - whether the transfer would be detrimental to the student.

   c) Make a recommendation as to whether to grant a transfer between providers. After the review of the application, the International Student Advisor will forward the application and recommendation to Student Central to be processed.

4.5 Student Administration and Records (STAR) Responsibilities

4.5.1 Where an application for transfer is approved, Student Administration and Records will withdraw the student from their current program and process the refund request in accordance to the University’s refund policy. 4.6 Why a Release Letter may not be issued

4.6.1 A Release Letter cannot be issued if:

- The student has not attached a copy of valid letter of offer of enrolment with the receiving provider
- The student has any outstanding debt to the University. Debts include all fees, loans, library fines and blocks.
- The academic progression status is suspended or excluded.
- In accordance with ESOS NC07, S7.2 (b), The University of New South Wales will refuse the issue of a Release Letter if the transfer would be considered detrimental to the student.

Factors that may be considered to the student’s detriment:

a) the student has not accessed the University’s student support services after having been requested to do so; or

b) the transfer may jeopardise the student’s progression through a package of programs; or

c) the University or its nominated officer forms the view that the student is trying to avoid being reported to the Department of Immigration and Citizenship (DIAC) for failure to meet the University’s attendance or academic progress requirements.
Students seeking to transfer to the University of New South Wales from another registered provider

4.7 Under Standard 7 of the National Code 2007, registered providers must not knowingly enrol a student seeking to transfer from another registered provider’s program prior to the student completing six calendar months of his/her principal course of study, except in the following circumstances, where a Release Letter is not required:

- the student has completed six calendar months of his/her principal course of study.
- the student is government sponsored and that government sponsor body provides written support for the transfer request.
- the Institution has ceased to be registered or the course in which the student is enrolled has ceased to be registered.
- The Institution has a sanction imposed on it that prevents the student from continuing his/her principle course.

4.8 Students seeking to transfer to UNSW from another registered provider prior to completing six months of their principle course will be issued with a CoE only if:

- The student completes the required application and admissions process.
- The student provides a Release Letter from the existing provider.
- If the student is under the age of 18, she/he must provide written evidence that the student’s parent or legal guardian supports the transfer.
- The student has accommodation support and general welfare arrangements in place with UNSW as per Standard 5.

5. Appeals

5.1 Where a transfer request from UNSW has not approved, the student must be provided with written reasons for refusing the request. If the student is not satisfied with the decision, he/she may apply for a review of that decision within 10 working days of receipt of the application outcome. The request should be on the basis of procedural irregularity, rather than a disagreement with the judgment of the University. A review of the procedure and decision will be undertaken by the Manager, Student Administration and Records. Students will be notified in writing of the outcome of the review within 10 working days of lodgement of the appeal.

5.2 Further appeals can be made in accordance with the Student Complaint Policy and Procedures to the Student Conduct and Appeals officer in the Office of the Pro Vice-Chancellor (Students) and Registrar.
